

[< Previous](#)[Next >](#)

1. Download the installer from https://console.cloudendure.com/installer_win.exe to the machine that you wish to install on.
2. Run installer_win.exe as an Administrator.
3. The installer will ask you several questions about how you wish to replicate the machine.
4. Once the installation is successful, the machine will appear in CloudEndure's console and the initial copy process begins.
